

# PS-300T1

**Code: PS300T1**

**Category: Domestic**

The portable unit provides Plasma Ionization air purification capability within a compact, silent operation delivering continuous disinfection management for the space.

## Features:

1. Powered by USB charger
2. Silent operation
3. Ionization

## Product Info:

Application Area\*: 10m<sup>2</sup> to 20m<sup>2</sup>

Voltage: DC 5V (USB Charger)

Weight: 0.35kg

Power: 9W

Capacity: 15 m<sup>3</sup>/hr

Noise Level: <40dB

Dimensions: 70 x 200 mm

**Servicing:** Ionizer every 24 months.

## Potential Applications:

1. Car (Taxi, Uber, Hire and Personal)
2. Home or Work Office
3. Standard Bedroom
